

We think you and your smile is worth investing in!

In a difficult economic climate we are aware that at Central Dental Care we need to do what we can to help patients get jobs, feel confident and motivate them to feel better about themselves.

We are therefore committed to reducing the cost of our tooth whitening service to allow more patients to have this smile treatment and exude confidence at what ever event may offer them future opportunity.

The following prices represent significant discounts and are available to anyone who prints this page from the website and brings it with them!

<i>Home whitening</i>	<i>A technique to get teeth whiter. Only one hour per day</i>	£199
